Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Friday 21 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Rain and winds easing overnight.

This Evening and Tonight:
Outbreaks of rain continuing across some areas during the evening but then gradually easing overnight, leaving the region largely dry but also rather cloudy by dawn. Winds slowly easing throughout. Minimum temperature 7 deg C (45 deg F).

Saturday:
Largely cloudy at first but cloud will slowly clear to the east, allowing for brighter skies in the afternoon. A few showers for some are possible throughout the day. Maximum temperature 14 deg C (57 deg F).

Outlook for Sunday to Tuesday:
Initially dry on Sunday before a band of locally heavy rain spreads eastwards across the region later. Scattered showers with bright spells at times on Monday and Tuesday. Breezy throughout.
